

Cannabis

Navigate the new growth landscape.

Overview

A new industry is emerging as laws legalizing medicinal and recreational cannabis take root in states across the country. New opportunities and business models bring growth as well as unique risks and exposures that only an experienced broker can help you navigate.

ABD Advantage

Insightful Risk Management

Whether you are a grower, processor, dispensary, lab, or property owner, we take time to understand your business, and your strategy for growth.

Custom Strategy

Together, we will put together an aggressive and informed insurance strategy reflecting your business operations, your risk philosophy, and your contractual obligations with suppliers, customers, and partners.

Cost-Effective Plan

Our experts will look at the jobs you offer, secure data to properly classify employees and help you document jobs to obtain the most cost-effective coverage for your team.

Worry-Free Compliance

With laws and regulations pertaining to cannabis cultivation and distribution changing quickly, it's important to know how you can stay in compliance. We'll keep you up to date on industry-specific laws and regulations, and those which affect all businesses of your size.

Full-Service Claim Management

If you need to file a claim, we handle everything from immediate actions for minimizing loss to serving as your dedicated liaison and advocate with carriers, to help you address each issue the right way.
