

Employee Benefits Global Solutions

Partnering with you as you
expand worldwide.

Your company is growing – and it's time to think about global benefits abroad.

Through our partnership with the Worldwide Broker Network (WBN), we bring presence in over 100 countries on 6 continents. ABD supports you as your benefits connection and guide, offering preferred broker resources to assess your risks and meet your needs around the world.

ABD Advantage

As you begin to expand globally, it is imperative your strategy aligns with your stated goals. ABD's Global Benefits team provides strategic global broker resources to assess your risks and meet your needs to keep your business in compliance around the world. Our experts work with you to define your global benefits philosophy and determine the best way to deliver benefits to achieve your goals.

Global Benefits and Retirement Philosophy

ABD provides the framework to review or define a formal benefits and retirement philosophy statement.

Multinational Pooling

We identify natural pools, or work to implement new pools, to increase buying power and secure broader coverage for our clients.

Benchmarking

Our partnership with the WBN allows us to compare a broad range of benefits against the market, ensuring you're receiving the most comprehensive plans available.

Worldwide Benefit Trends

We monitor local trends and legislation changes, to keep your offices operating in compliance, no matter where you're located.

Country Profiles

ABD provides country benefit reports for 80+ countries.

Compulsory Insurance & Customary Benefits

Our experts confirm mandatory and competitive benefits by location, ensuring you remain an attractive employer at home or abroad.

Worldwide Wellness

From employee assistance programs to biometric screenings, our experts work to keep costs down and employee engagement up.

Business Travel Accident

We place benefits for employees while traveling on company business.

Global Medical

Our experts place Expatriate Coverage for global assignment employees.
